

## Fast Facts Perfect End of Story—4

We Learned in Fast Facts—3 that the Father God is approaching the Fall of Adam & Eve, not just as a problem for this earth; but a Universal challenge to all the inhabited worlds in God's Great Universe!!

We also learned in "The Greatest of These is Love"—2, That God's Son, Jesus the Christ, came to our earth as the "Seed of the Woman", lived among us; Gave us a perfect example of a life completely submitted to His Heavenly Father; Died on the cruel cross to Redeem us and thus Reconciled us to His Father (John 3:16-17); 2 Corinthians 5:17-21; and all of this because He so loved the World that he GAVE His Son; Not to condemn us, but that THROUGH HIS SON We might be SAVED!!

At the Cross, all the Universe recognized that God's way with Lucifer and for Adam & Eve, was the best way. When they saw how Lucifer tried to kill the Son of God—not because Christ had done anything against Lucifer (Lucifer lost heaven by his own choice), but like Cain, because his own works were evil and Christs were righteous. 1 John 3:12. So at the cross, all sympathy for Lucifer was completely lost and the whole universe now saw him truly as the Dragon, Serpent, Satan, and the Father of Lies!! Revelation 12:7-9; John 8:44

Yes, the UNIVERSE IS SATISFIED and the myriads of beings that live the Universe over are SATISFIED. GOD IS THE ONLY TRUE GOD. So What about You? ARE you SATISFIED? The Pagan religions who have not yet heard of Christ are a special focus in these last days. But what about the 43,000 + Christian Religions that are being deceived by this little devil. How is this possible? I think it is because we have not learned to take a subject from Genesis to Revelation and see what the whole Bible has to say on the subject.
